

WESTON FAVELL CE PRESCHOOL

Weston Favell Preschool is an important part of our school and provides a warm and welcoming environment to support the transition from home to preschool. We are committed to providing high quality learning opportunities that are accessible for all children so that they can learn to explore and become independent learners.

We are based within the grounds of Weston Favell Primary School with a wonderful inside and outside environment where we facilitate exciting, well planned and child-led learning. We form strong links with the school, working closely with the reception classes and their teachers, to support a smooth transition into school.

We offer a happy, enjoyable, and stimulating environment giving children the opportunity to grow and learn, preparing them for their next steps into school life.

Our skilled and knowledgeable staff team welcome all children, and work in partnership with parents and professionals to ensure all children reach their potential.

Our Early Years Lead works across both Preschool and Reception to support with transition ensuring that our children get off to a flying start with the highest standard of education and experiences.
