

2020/2021 PE AND SPORT PREMIUM DEVELOPMENT PLAN

EVIDENCING THE IMPACT & SUSTAINABILITY

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

SCHOOL Weston Favell Primary School

HEAD TEACHER Jill Ramshaw

PE COORDINATOR Jude Stone

PE AND SCHOOL SPORT PREMIUM: THE PURPOSE

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2020 to 2021 academic year, to encourage the development of healthy, active lifestyles.

VISION: GOVERNMENT VISION

All pupils leaving primary school will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

VISION: SCHOOL VISION

At Weston Favell Primary School our pupil's access high quality PE and Sports which promote the benefits of exercise both mentally and physically whilst encouraging a healthy lifestyle.

Schools must use the funding to make **additional** and **sustainable** improvements to the quality of the physical education (PE), physical activity and sport they provide. This includes any carried forward funding from the 2019 to 2020 academic year, which must be spent by 31 March 2021.

At Weston Favell Primary School we will use the PE and sport premium to:

- develop or add to the PE, physical activity and sport that your school provides
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

KEY OUTCOME INDICATORS: UPDATED 2020/02021

Schools can use the funding to secure improvements in the following indicators;

Key outcome indicator 1: Engagement of all pupils in regular physical activity

For example, by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim (funding can only be used for additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons, and should not be used for core swimming provision).

Key outcome indicator 2: Profile of PE and sport is raised across the school as a tool for whole-school improvement

For example, by:

- actively encourage pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching

Key outcome indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

For example, by:

- providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches and PE specialists to work alongside teachers to enhance or extend current opportunities offered to pupils

Key outcome indicator 4: Broader experience of a range of sports and activities offered to all pupils

For example, by:

- introducing a new range of sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sports and physical activities and clubs
- providing more and broadening the variety of extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sports organisations

Key outcome indicator 5: Increased participation in competitive sport

For example, by:

- increasing and actively encouraging pupils' participation in the School Games
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations

EVIDENCING THE IMPACT: THE IMPACT OF COVID-19 ON THE PROVISION OF PE, SCHOOL SPORT & PHYSICAL ACTIVITY

	What has been the impact of Covid-19 on the provision of PE, School Sport and Physical activity within your school?	How have you utilised your PE & Sport Premium funding to overcome some of these challenges?
<p>Term 1 September to December 2020</p>	<ul style="list-style-type: none"> • We have continued to provide 2hrs of high-quality PE per week for all children • We have been unable to deploy specialist coaching due to social distancing and lock down regulations, however, we will look forward to developing this over the next 2 terms restrictions allowing. 	<p>PE and sports staff working in school to deliver lessons and encourage children to undertake physical activity.</p>

	<ul style="list-style-type: none"> • Children have been taking active breaks in year bubbles with their own bag of resources. • Swimming has not yet taken place • We are currently unable to provide provision for our C4L Club however, restrictions permitting these will resume in later terms. • We have been unable to offer any extracurricular sporting clubs however, once restrictions are lifted these will be offered as soon as practicable. 	
Term 2 January – March 2021	Spring 1 Due to a national lockdown imposed in January 2021, all of our pupils have been encouraged to remain active using either the virtual personal challenges which have been set by Northamptonshire Sport or by using other online platforms. PE is an integral part of the daily timetable of learning that our pupils have engaged in.	School staff are promoting the Northamptonshire sport challenges, Jo Wicks, Cosmic Yoga on the remote learning timetables. Family Friday includes a physical activity that children can access.
Term 3 April – July 2021	Summer1: <ul style="list-style-type: none"> • Swimming lessons are being accessed by Year 6 pupils • Extracurricular netball club is now up and running for Y5 and Y6 children • Young Leaders are offering a selection of activities which all KS2 children can access 	

SWIMMING: MEETING THE NATIONAL CURRICULUM REQUIREMENTS FOR SWIMMING & WATER SAFETY

- Swimming is a national curriculum requirement
- The 3 requirements for swimming and water safety are that by the end of key stage 2 pupils should be taught to:
 - swim competently, confidently and proficiently over a distance of at least 25 metres
 - use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
 - perform a safe self-rescue in different water-based situations

You can use your funding for:

- Professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils
- Additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water

Schools are required to annually publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements

Accountability

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

Department for Education guidance on how to use the Primary PE and Sport Premium – updated October 2020

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The School Sport Activity Action Plan set out government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day (in line with the Chief Medical Officer guidelines which recommend an average of at least 60 minutes per day across the week).

The PE and Sport Premium can help primary schools to achieve this aim, providing primary schools with £320m of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils. The PE and Sport Premium survey highlighted the significant impact which PE and Sport has had in many primary schools across England.

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE, physical activity and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

What should your funding NOT be used for?

The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements – these should come out of schools' core staffing budgets
- Teaching the minimum requirements of the national curriculum PE programmes of study – including this specified for swimming
- Fund capital expenditure

Active Miles

If schools choose to take part in an active mile, they should use existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

Schools compliance

You are accountable for how you use of the PE and sport premium funding allocated to you. You are expected to spend the grant for the purpose it was provided – to make additional and sustainable improvements to the PE, sport and physical activity offered. Schools and local authorities must follow the terms and conditions in the conditions of the grant documents.

Ofsted inspections

Ofsted's new [Inspection Framework](#), which came into effect from September 2019, gives greater recognition to schools' work to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Inspectors will expect to see schools delivering a broad, ambitious education, including opportunities to be active during the school day and through extra-curricular activities. Schools should consider how they use their PE and Sport Premium to support this.

Online reporting

Schools must publish details of how you spend your PE and sport premium funding by the end of the summer term or by **31 July 2021 at the latest**. If you have any carried forward funding from academic year 2019 to 2020 you should show separately how this funding has been spent and confirm that it has been spent before 31 March 2021.

Online reporting must include:

- the amount of PE and sport premium received
- a full breakdown of how it has been spent
- the impact the school has seen on pupils' PE, physical activity, and sport participation and attainment
- how the improvements will be sustainable in the future

You are also required to publish the percentage of pupils within your year 6 cohort in the 2020 to 2021 academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
- perform safe self-rescue in different water-based situations

Attainment data for year 6 pupils should be provided from their most recent swimming lessons. This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school. It is essential to retain attainment data from swimming lessons in years 3 to 5 to be able to report this accurately in year 6.

Review of online reports

Schools' online reporting is monitored through an annual sample of schools. Active Partnerships review the published information on selected schools' websites to ensure it meets the requirements on PE and sport premium funding and swimming attainment. The results are then shared with DfE and help to ensure that Active Partnerships can offer schools in their local area the most relevant support.

Payment dates for the 2020/2021

Maintained schools, including PRU's and general hospitals
